

## PRESS RELEASE

May 1, 2013  
FOR IMMEDIATE RELEASE

Faspro Technologies, Inc. Announces the Promotion of Nikita Postovalov to General Manager of Faspro Technologies, Inc.  
Chicago, IL

Today, Faspro Technologies, Inc. announces the promotion of Nikita Postovalov to General Manager of Faspro Technologies, Inc. overseeing all manufacturing operations for its three primary operating units. Nikita has been with the company for over ten years and previously held the position of Operations Manager for its Electroplated Metal Solutions operating business unit located in Elk Grove Village, IL, and then was moved over to BIC Manufacturing as the General Manager for that business unit. Nikita has now been relocated to our corporate location in Arlington Heights, IL.

“Nikita has been with me since he graduated from college. I am thrilled that he has progressed to this level and couldn’t be happier with extending this new level of responsibility to him. He has truly earned the opportunity!” said Igor Shkarovsky, Faspro’s CEO.

Faspro, originally founded in 1995 serves the needs of manufacturing OEM’s across numerous industry sectors for prototype and short run, thin gauge fabrication and small assembly needs. Headquartered in Arlington Heights, IL with its photomilling and electroplating operations located in Elk Grove Village, IL we have been serving the needs of wireless, telecom, medical device, industrial and electronics OEM’s since our inception.
